

INSTITUTE FOR REFORMING GOVERNMENT

Directions: Responses requested by March 26. This survey has been sent to all candidates. Answers will be made public - without edit - later in spring. Please try to keep each answer to under 300 words. The objective is to learn more about what candidates would do to make a more free and prosperous Wisconsin. The Institute for Reforming Government does not endorse candidates for public office.

1. Of the following issues, pick the top five that you believe are preventing Wisconsinites from being able to achieve the American Dream. Label them 1 through 5, with 1 being the biggest obstacle. **Note, not all issues below will receive a number.*

- _____ Affordable childcare
- _____ Affordable healthcare
- _____ Affordable housing
- _____ Good paying jobs
- _____ Abortion policies
- _____ Inflation increasing the costs of things my family needs
- _____ Mental health
- _____ K-12 schools preparing students for success after graduation
- _____ State and local taxes
- _____ Crime and public safety
- _____ OTHER _____

2. Why did you choose those issues?

3. What will be your top priorities for your first state budget to improve state government operations, protect taxpayers, and minimize government abuses?

4. What specific policies will you enact to improve Wisconsin's K-12 education system for all and improve academic outcomes?

5. What specific policies will you enact to lower the cost of living in Wisconsin and grow Wisconsin's economy?

6. Name two (*either in office or out*) politicians that you admire and would model yourself after as governor. Why?

7. Name 2 people (dead or alive) you would want to have dinner with. Why?

8. Considering Wisconsin as a place to live, work, and play, what is it truly good at? What makes it unique compared to other states?

9. What is your favorite Wisconsin Supper Club?

10. What is something - or someone - that you respect from the opposite political party? Why?
